

Dear **UAS Summit & Expo 2016** Exhibitor:

This Exhibitor Service Kit details important information to allow Valley Expo & Displays, Show Decorator, to help ensure your success at the UAS Summit & Expo 2016, at the Alerus Center, August 22 - 24, 2016.

VALLEY ONLINE ORDERING

For your convenience Valley Expo & Displays offers online ordering.

You can order your Valley services, view show schedule, and review your account information.

To place online orders you will be required to register with Valley Online.

If you received this Exhibitor Service Kit in the "ordering open" email, a direct link and your temporary password to online ordering were also included. Click on the link to be directed to our website and begin ordering. (https://valleyexpodisplays.boomerecommerce.com)

If you did not receive an email, visit, www.valleyexpodisplays.com. Click on "Register and get your Password Here" to request your online credentials. Fill out the required information and submit.

Once your request is processed you will receive an email with your login information. It may take up to two hours to generate your credentials. We appreciate your patience in advance.

HELPFUL HINTS

Order early and take advantage of the advance pricing to receive discounted rates.

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business.

Please read each form carefully, and return them to the address shown on each form. Other suppliers may be used for some services (i.e. electrical) and orders with payment should be sent separately to them for those services.

Valley Expo & Displays does not take orders over the phone. All orders must be entered online (https://valleyexpodisplays.boomerecommerce.com) faxed (815-873-1544) or, emailed (events@valleyexpodisplays.com) by August 16, 2016.

Valley Expo & Displays will accept no orders without payment in full.

Please contact our Exhibitor Services Department at 877.332.4292, with any questions you may have.

Thank you for your business and we look forward to seeing you at the show!

Exhibitor Rules & Regulations

Booth Construction

All booth displays must be constructed so as to appear "finished" on all sides that may be visible, including from all adjoining booths. For example, if the framework structure of a pop-up booth is visible from an adjoining booth, that framework will need to be covered so as to not detract from the appearance of the adjoining booth. All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers or installation/dismantling equipment such as forklifts.

Line of Sight

All exhibitors are entitled to a reasonable line of sight which varies by booth size and location. Generally, nothing should be over four feet (4') tall in the three feet (3') closest to the aisle. Regardless of the number of standard booths utilized, (e.g. 10'x20', 10'x30', 10'x40' etc.) display materials should be arranged in such a manner so as to not obstruct sight lines of neighboring exhibitors. The maximum height of eight feet (8') is allowed only in the rear of the booth space, with a four foot (4') height restriction imposed on all materials in the three feet closest to the aisle.

Standard Booth

A standard booth consist of an area 10'x 10'x8' high. All display material over four feet (4') high, must be set back three feet (3') from the main aisle.

Endcap Booth

An endcap booth is a 10'x20'x10' high booth exposed to aisles on three sides. The back wall is restricted to four feet (4') high within the three feet (3') closest to each aisle permitting adequate line of sight for the adjoining booths. The rest of the back wall can be no higher than ten feet (10'). Any portion of the back wall that extends beyond the eight foot (8') curtain must be finished (no exposed framing or structure) and may not carry any ad copy on the back side.

Split Endcap Booth

A Split Endcap is a 10'x20'x10' high booth exposed to aisles on three sides and shares a common back wall with another Endcap booth. In both cases, the entire cubic content of the booth may be used. Any portion of the back wall that extends beyond the eight foot (8') curtain must be finished (no exposed framing or structure) and may not carry any ad copy.

Peninsula Booth

Peninsula booths are any configuration of four or more booths exposed to aisles on three sides. Peninsula Booths are 20'x20'x16' high or larger. When a Peninsula booth backs up to two Standard Booths, the back wall is restricted to four feet (4') high within the three feet (3') closest to each aisle, in the back five feet (5') of the booth permitting adequate line of sight for the adjoining booths The rest of the back wall can be no higher than sixteen feet (16'). Any portion of the back wall that extends beyond the eight foot (8') curtain must be finished (no exposed framing or structure) and may not carry any ad copy on the back side.

Island Booth/Split Island Booth

An Island booth is exposed to aisles on all four sides. A Split Island Booth is a Peninsula Booth which shares a common back wall with another Peninsula Booth. In both cases, the entire cubic content of the booth may be used up to sixteen feet (16'). Any portion of the back wall within five feet (5') of booth perimeter that extends beyond the eight foot (8') curtain must be finished (no exposed framing or structure) and may not carry any ad copy.

Balloons

Helium balloons may be used as booth decorations if securely fastened within the height restrictions of booth type, but balloon distribution is prohibited.

Audio-Video/Music/Loud Demonstrations

Expo management reserves the right to limit or restrict sounds from any source that interfere with activities in neighboring exhibits. In general, sounds should be no louder than 85 decibels. As a matter of safety and courtesy to others, exhibitors should conduct sales presentations and product demonstrations in a manner which assures all exhibitor personnel and attendees are within the contracted exhibit space and not encroaching on the aisle or neighboring exhibits. It is the responsibility of each exhibitor to arrange displays, product presentation and demonstration area to ensure compliance. Special caution should be taken when demonstrating machinery or equipment that has moving parts or any product that is potentially dangerous. Exhibitors should establish a minimum setback of three feet (3') and/or install hazard barriers as necessary to prevent accidental injury to spectators. Demonstrations involving sound need to be limited in frequency and are at the discretion of show management. Generally, a neighbor across the aisle should not be able to hear your demonstration.

Hanging Signs and Graphics

Whether suspended from above or supported from below, they should comply with all ordinary use-of-space requirements. The highest point of any sign in any booth should not exceed the maximum allowable height for that type of booth. Hanging signs and graphics should be set back a minimum of five feet (5') from adjacent booths and aisles. Multi-sided signs, projection screens or logos may not face an adjacent booth. This will include back walls, side panels, headers and towers.

Floor Coverings

All exposed floor area contained within the booth must be covered with carpet or other appropriate floor coverings.

Variance

Height variance fee is \$100. Expo management, in its sole discretion, may make exceptions to the height restrictions for some exhibitors as it considers advisable. Any exhibitor requesting a variance must submit the request in writing along with written approval from the exhibitors affected by the variance. Please send requests to jgerman@bbiinternational.com.

RECAP OF COST & PAYMENT

ADVANCED PRICE DEADLINE: July 29, 2016

UAS Summit & Expo 2016

Alerus Center, August 22 - 24, 2016

One copy of this form with your credit card information, and all applicable order forms must be forwarded to Valley Expo & Displays at the address below. Advance prices apply only to orders received with payment in full by the advance price deadline date listed on the General Show Information sheet. All orders received afterward, or at the show site will be subject to floor rates. **We cannot accept phone orders**, however, you may fax your order to us, provided we have your complete, valid credit card information. No invoice or statement will be issued.

For your convenience, when you pay with a credit card, any additional charges incurred for equipment and services will be billed to your card. In any event, no services will be rendered until payment in full has been received.

Exhibitors who have applied for special billing considerations, and to whom credit is extended agree to pay as a service charge 1 - 1/2% per month (18% per annum) and to pay all costs of collection, including a reasonable attorney's fee on all charges not paid within 30 days of invoice date. Payment for labor and services ordered by the exhibitor, their display house or other third parties is the responsibility of the exhibitor. The undersigned (jointly or severally) hereby does primarily and unconditionally guarantee the payment and discharge at maturity of each and every obligation incurred by this designate or assigns (display house or third party agent) in such transaction and agrees in the event of default by such third party of any such obligation to pay and otherwise make good on demand by Valley Expo & Displays or its assigns at any time thereafter, any sums and obligations then owing by the exhibitor to Valley Expo & Displays. 50% Surcharge on all refunds. No refunds will be issued after 14 days from the last day of the event. NO EXCEPTIONS!

Authorization To Provide Freight Services: By completing the Freight Handling Order Form, it is understood that Valley Expo & Displays and its subcontractors do not automatically insure materials, that insurance, if any, shall be arranged by the Exhibitor and the amounts payable to Valley Expo & Displays for drayage services are based on the value of the material handling services and the scope of Valley Expo & Displays liability as herein set forth. The amounts payable to Valley Expo & Displays are unrelated to the value of the Exhibitor's property being handled by Valley Expo & Displays or its subcontractor. It is impractical and extremely difficult to fix the value of each shipment handled by Valley Expo & Displays or its subcontractors. It is agreed therefore that if Valley Expo & Displays or its subcontractors should be found liable for loss or damage to Exhibitor's materials, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to 30 cents per pound per article, with a maximum liability of \$500 per item, or \$1,000 per shipment, whichever amount shall be less, as agreed upon damages bit as a penalty, and such agreed upon damages shall be the Exhibitors exclusive remedy. Exhibits left on exhibit floor without return instructions will be returned to our warehouse and held for disposition at an additional charge. Valley Expo & Displays will not be responsible for condition, count or content until such time as exhibits or materials are picked up for removal after the close of the exhibition.

Make certain all your material is properly insured against fire, theft and all hazards while in transit to and from your booth and for the duration of the exhibition.

> The Freight Handling Order Form must be completed and returned with payment to Valley Expo & Displays before exhibit freight will be handled!

UAS Summit & Expo 2016

Alerus Center, August 22 - 24, 2016

As the official service contractor, Valley Expo & Displays is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carrier. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight—either to the warehouse or directly to show site (if applicable).

Shipping to the Advanced Warehouse

- We may accept freight up to 30 days prior to show move-in. Please check the Freight Handling page for specific dates.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Shipping Information page. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- · Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor setup.
- Please call our Exhibitor Services Department at 877.332.4292 if you want to ship oversized material that requires special equipment to the warehouse.

Shipping to Show Site

- Please refer to the Shipping Information page for the specific dates and times direct freight will be accepted.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

Prepaid or Collect Shipping Charges

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading "prepaid".
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

Labeling Your Freight

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the advance warehouse or show site is located on the Shipping Information page.

Estimating Material Handling Charges

- Charges will be based on the weight of your shipment. Each shipment received is considered separately. The shipment weight will be rounded to the next 100 lbs. Each 100 lbs. is considered one "cwt" (one hundred weight). All shipments are subject to reweigh.
- On the Freight Handling order form, select whether the freight will arrive at the warehouse or be sent directly to show site (if applicable).
- Next, select the category that best describes your shipment. There are three categories of freight:
 - Crated: material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required. Special Handling: material delivered by the carrier in such a manner that it requires additional handling, such as ground loading, stacked or constricted space, unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, carpet or labor to unload. Federal Express, UPS Ground, and DHL are included in this category due to their delivery procedures. Uncrated: material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.
- Add overtime charges for inbound if material is delivered to the booth during the overtime period. This includes both warehouse and show-site shipment.
- Add overtime charges for outbound if material is loaded onto the outbound carrier during the overtime period.
- Add the late delivery charge listed on the Freight Handling order form if material is loaded onto the outbound carrier during the overtime period.
- Add the late delivery charge listed on the Freight Handling order form if the shipment is accepted at the warehouse or at show site after the deadline date.
- Shipments received without receipts or freight bills, such as UPS and Federal express, will be delivered to the booth without guarantee of piece count or condition.

Empty Containers

- Pick up "Empty Labels" at the Valley Service Desk. Place a label on each container. Labeled containers will be picked up periodically and stored in a non-accessible
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several

Protecting Materials

• Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show-time between your departure and the actual pickup of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

Shipping Materials After the Close of Show

- Each shipment must have freight handling services on order and a completed Bill of Lading in order to ship materials from the show. All pieces must be labeled individually. Bill of Ladings are available at the Valley Service Desk at show site.
- After materials are packed, labeled and ready to be shipped, the completed Bill of Lading must be turned in at Exhibitor Services. Do not leave this in your booth with
- Call your designated carrier with pick-up information. All pick-ups are from the show site unless otherwise indicated. Please refer to the General Information page for specific dates and times. In the event your carrier fails to show on final move-out day, your shipment will be rerouted to Valley Expo & Displays' carrier of choice at exhibitor's expense.
- For your convenience, the show-recommended carrier may be on site to handle outbound transportation.

UAS Summit & Expo 2016

Alerus Center, August 22 - 24, 2016

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground loading, constricted space loaded, designated piece unloading, carpet/pad only shipments or stacked shipments. Also included are shipment integrity, alternate delivery locations, mixed shipments and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment to unload, sort and deliver.

Ground Loading/Unloading

Vehicles that are not dock height, preventing the use of loading docks, such as U-hauls, flat bed trailers, double drop trailers, company vehicles with trailers that are not at dock level, etc.

Constricted Space Loading/Unloading

Trailer loaded "high and tight" shipments that are not easily accessible. Freight is loaded to full capacity of trailer—top to bottom, side to side. One example of this is freight loaded down one side of a trailer that must be by-passed to reach target freight.

Designated Piece Loading/Unloading

Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit the trailer that must be loaded in a sequence to ensure all items fit.

Stacked Shipments

Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or "cubed out" shipments, loose items placed on top of crates and/or pallets constitute special handling.

Shipment Integrity

Shipment integrity involves shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to our customers.

Alternate Delivery Location

Alternate Delivery Location refers to shipments that are delivered by a carrier that requires us to deliver some shipments to different levels in the same building or to other buildings in the same facility.

Mixed Shipments

Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling. Valley defines special handling for mixed loads as having less than 50% of the volume as uncrated.

No Documentation

Shipments arrive from a small package carrier (including, among others, Federal Express, UPS Ground, Airborne Express and DHL) without an individual Bill of Lading, requiring additional time, labor and equipment to process.

Carpet Only Shipments

Shipments that consist of carpet and/or carpet padding only require special handling because of additional labor and equipment to unload.

Crated vs. Uncrated Shipments

Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly stacked skids. An uncrated shipment is material that is shipped loose or pad wrapped, and/or unskidded without proper lifting bars and hooks.

FREIGHT

UAS Summit & Expo 2016

Alerus Center, August 22 - 24, 2016

This Freight Handling Form must be completed and returned with payment to Valley Expo & Displays before your freight will be handled. Immediately upon shipping, please forward a coy of your freight bill of lading to us. Exhibitor shipments by carriers not giving delivery receipts or bill of lading, such as UPS, FedEx or US Postal Service, will be accepted and delivered to your booth space with no guarantee of piece count or condition. No liability whatsoever will attach to Valley Expo & Displays for those shipments. Valley Expo & Displays assumes no liability for lost or damaged items stored during any event.

FREIGHT HANDLING SERVICES

EVENT LABOR

ADVANCED PRICE DEADLINE: July 29, 2016

UAS Summit & Expo 2016

Alerus Center, August 22 - 24, 2016

Display Installation: To ensure prompt and efficient processing of your labor request for installation and dismantling of displays, please review the information on this page carefully, and contact us if you have any questions.

All installation and dismantling will be performed by qualified personnel in compliance with any applicable labor contracts. If you wish to hire Valley Expo & Displays to perform this work, please complete this form, and return it with payment to Valley Expo. Orders with payment in full must be received by July 29, 2016, for Advance Prices. All floor orders subject to availability of labor at the show site.

A minimum charge of one hour per man will apply to all labor orders, with the time commencing upon assignment of labor in accordance with your order. IT IS IMPORTANT, THEREFORE, THAT YOU CHECK IN AT THE VALLEY EXPO & DISPLAYS SERVICE DESK TO PICK UP THE LABOR YOU HAVE ORDERED, AND TO RETURN THOSE PEOPLE TO THE SERVICE DESK UPON COMPLETION. IF YOU FAIL TO PICK UP LABOR YOU HAVE ORDERED, A ONE HOUR PER MAN NO-SHOW CHARGE WILL APPLY.

Surcharge: All work performed during move in times of 7am - 3pm on Monday August 22, 2016 will be done at the hourly rate below. All work performed outside of these times will be subject to a 20% surcharge

Supervision: If Valley Expo personnel are to perform work without your supervision, please forward all necessary instructions, drawings or diagrams in advance with this order. We add a 25% supervision fee. Supervised Labor Form must be completed.

Requested Starting Time can only be guaranteed at the start of the working day (8:00AM), or the official beginning of set up, if later in the day. We will make every attempt to provide labor at times subsequent to 8:00 AM (or start of official set up), however such starting time must be approximate since labor is assigned to jobs at the start of the day, and it is impossible to gauge completion times of the first job assignments.

Authorization to Provide Labor Services: By completing the Event Labor Form, it is understood that Valley Expo & Displays and its subcontractors do not automatically insure materials, that insurance, if any, shall be arranged by the Exhibitor and the amounts payable to Valley Expo & Displays for labor services are based on the value of the services rendered and the scope of Valley Expo & Displays' liability as herein set forth. The amounts payable to Valley Expo & Displays are unrelated to the value of the Exhibitor's property being handled by Valley Expo & Displays or its subcontractors. It is impractical and extremely difficult to fix the value of each item handled by Valley Expo & Displays or its subcontractors. It is agreed therefore that if Valley Expo & Displays or its subcontractors should be found liable for loss or damage to Exhibitor's materials, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum less than or equal to the charges for services rendered as agreed upon damages bit as a penalty, and such agreed upon damages shall be the Exhibitors exclusive remedy.

FORKLIFT SERVICE

ADVANCED PRICE DEADLINE: July 29, 2016

UAS Summit & Expo 2016

Alerus Center, August 22 - 24, 2016

PLEASE COMPLETE THIS FORM FOR ALL IN-BOOTH FORKLIFT AND LABOR NEEDED. TO DETERMINE IF YOU NEED IN-BOOTH FORKLIFT AND LABOR, PLEASE READ THIS FORM CAREFULLY.

- In-Booth Forklift and Labor may be required to assemble displays or when uncrating, positioning, and reskidding equipment and machinery.
- A forklift is required for moving equipment and materials weighing 200 pounds or more.
- If you require a forklift, a crew will be assigned consisting of a Rigger Foreman and forklift with an operator.

IMPORTANT INFORMATION AND RATES

All exhibitors requesting labor must go to the Valley Service Desk to confirm labor requests. All labor and equipment requests should be confirmed by 2:00 pm the day prior, with the exception of the first day of move in. Requested starting times cannot be guaranteed, however, every effort is made to meet all requests. Valley reserves the right to dispatch all labor calls based upon availability of labor crews and the order that the requests are confirmed. Upon completion of work, an exhibitor representative must return to the Valley Service Desk to sign the completed work ticket and confirm accuracy of the work order. No adjustments will be made after the fact. Equipment and labor cancelled without a 24 hour notice will be charged a one (1) hour cancellation fee per worker and equipment ordered. If the labor and equipment is not used at the time confirmed there will be a one (1) hour no-show fee charged per work and equipment ordered.

The minimum charge for labor and equipment is one (1) hour per worker and forklift. Equipment and labor thereafter is charged in half (1/2) hour increments. GRATUITIES IN ANY FORM, INCLUDING CASH, GIFTS OR LABOR HOURS FOR WORK NOT ACTUALLY PERFORMED ARE PROHIBITED BY VALLEY. Valley requires the highest standards of integrity from all employees. Please call us to report fraudulent or unethical behavior. All rates are subject to change if necessitated by increased labor and material costs. SURCHARGES: All work performed during move in times on Monday August 22 will be done at the hourly rate listed below. All work performed outside of these times will be subject to a 20% surcharge.
